LYRIC SHEET · FOR CHURCHES

# OPEN BIBLE, OPEN ROAD

**Caleb Ridge · Every Mile Held**

Key **E major**
Tempo **106 bpm**

### VERSE 1

On the kitchen table, leather worn thin
A coffee ring resting by Romans ten
Headlights waiting at the garage door
But I need Your voice before I need more
Maps can tell me where the blacktop bends
Friends can tell me where a paycheck ends
Only Your Word can cut through pride
And show me the Savior who stands at my side

### CHORUS

Open Bible, open road
Light my way wherever I go
Your Word is the light on the road I need
Open Bible, lead me

### VERSE 2

Billboards sell me a faster name
Screens keep shouting a louder game
But grass will fade with the flash and trend
Your Word stays firm when the headlines end
Some days I read with a restless mind
Still You meet me there and make truth kind
A chapter can steady my shaking hands
When worry runs farther than I had planned

### CHORUS

Open Bible, open road
Light my way wherever I go
Your Word is the light on the road I need
Open Bible, lead me

### BRIDGE

Not just ink on a page I admire
It is bread, it is sword, it is holy fire
Teach me to read, then teach me to live
Make me quick to repent and ready to give

### FINAL CHORUS

Open Bible, open road
Light the way that leads me home
Your Word is the light on the road I need
Open Bible, lead me
Open Bible, lead me
